To those who've made school days brighter,
And added love and laughter and made each
one brighter.
To those who've rebelled
And to those who can take it
To those who've studied hard to make it.
To Their heartaches, surprises, failures
To life's excitements and bitter delusions
To theirs and Mine - to ours.
Especially to everyone
We dedicate to you
Our THUNDERBOLT 1972!!

ADMINISTRATION

PRINCIPAL'S MESSAGE

ERDMAN MULLINS

Mr. Mullins attended V. P. I. where he received his B. S. and M. S. in Agricultural Education and Vocational Education.

Your years of arduous work at Haysi High School are rapidly coming to an end. These years are not seen nor are they noticed, but they are to be an essential part of your performance in life.

In too many areas of life today is the philosophy present that somehow the achievements of success can be reached without the accomplishments of earnest toil and tribulation. I say to you, this can not be so.

My associations with you as a teacher and as your principal will long be remembered and the thought cherished. I have watched you develop in educational competence, and I am pleased with what I see. You may not remold the world in a cast of your own making, but neither will I shudder at the thought of your taking your place in our adult society.

After graduation, I hope you can and will return often to the school for a visit. With this pictorial record goes my most sincere wish that the Divine Hand will keep a firm and guiding hold solidly placed upon your shoulder.

E. W. Mullins

Mr. R. C. Hay attended East Tenn. State University where he received his B.S. and M.A. degree in U. S. History and World Geography.

ASSISTANT PRINCIPAL'S MESSAGE

You have reached one of many thresholds in life. This graduation from high school may just be the most important one, since what you do with the preparation you have received for life depends upon the path you choose to follow at this point in time. There will be those who feel high school is enough to propel them onward. Others will pursue higher education. Whatever path you choose, approach your objective with caution, retrospect, and humility as well as determination. This is a fast-paced world, but compassion and respect for others are still treasured assets. The world owes you nothing; you owe a great deal to it.

The challenge of the future is great. The responsibility of seeing that our cherished way of life is sustained upon the shoulders of your generation. May you accept this responsibility with the determination to make tomorrow a little better than today.

R. C. Hay

GUIDANCE MESSAGE

Mrs. Negatha Powers, Director of Guidance, attended Milligan and E. T. S. U. where she received her B.S.; she also attended Univ. of Va., V.I.P., and Univ. of Fla. where she received her M.A.

TO THE CLASS OF 1972

Your decision to finish high school is commendable.

In many ways, your generation faces more challenges than any generation before you. Young people of both sexes are exerting more influence on all facets of our culture than at any other period of history.

I sincerely hope that you will be equal to face the challenges, that you will use wisely your unprecedented freedom of choices, that you will remember that truth, honesty, integrity, wisdom, and the brotherhood of man are internal valves that never change.

CATHY BAILEY

CO-SALUTATORIAN . . .

It was recently determined that Cathy Bailey has earned co-salutatory honors.

Cathy is the daughter of Mr. and Mrs. Monroe Bailey. She has been active in clubs, and is the president of the Haysi Chapter of the Future Homemakers of America.

After graduation she plans to attend Radford College majoring in home economics.

LOOKING BACK . . .

Reminiscing is a central part of our theme, "Those Were The Days." Thinking back of days gone by and mingling those thoughts with those of now we get a feeling of nostalgia, and at the same time an anticipation of the future. Knowing that each of us has experienced these feelings, we dedicated this Thunderbolt to the entire student body.

COACH'S MESSAGE

Our season record of 1-9 was a very disappointing and surprising season. I felt like our team was much better than our record indicated and in every close game it seemed that all the breaks went against us. We did lose some close games and the hardest teams we faced we played our best against them. One of our better games was against heavily-favored Clintwood. The score was 6-6 at half-time and it started to rain and our passing attack halted.

Our brightest part of our season was our passing attack. Ronnie Compton completed 96 of 175 passes this season for a total of 1260 yards and 8 touchdowns. Ronnie had three good receivers in Tony Hart (503), Jarrell O'quinn (284), and Jerry Sutherland (240).

I would like to thank all of our players for the fine effort put forth: An extra thanks goes to our seniors, the leaders of the Tigers.

A coach never likes to lose but I feel that too much is based on won and lost records. It's always nice to have the super stars but as a coach, all I want is a boy that never quits. Our team was blessed with a group of young men this year that never quit. A quitter never wins and a winner never quits.

This is what Mrs. Harkleroad had to say about this year's cheerleaders:

"The 1971-72 cheerleaders are the best group of girls I have ever had the privilege to work with. They are friendly, easy going, and generally the best all-around people of the school. These girls are very energetic and give their best to cheerleading. I am extremely proud of these spirited girls and I think Haysi High is very lucky to have them."
